PLEASE READ!

The Utah State Fairboard has given us some new guidelines to follow. Your cooperation in this matter is appreciated. The following rules will apply to all who are participating in the horse events.

*Only three complimentary exhibitor passes and three parking passes will be given per horse.

*If you preregister for the show, your passes will be mailed to you.

*If your entry form is received after the deadline and there is no time to mail them, your passes will be at the gate for you.

*If you decide to enter at the show, three people per horse will be allowed in. Any additional people will be expected to buy tickets at the gate at the discounted price.

*I will do my best to insure everyone riding a horse at the show will receive a complimentary pass.

Prices are as follows:

Day Passes	\$6.00 (regularly \$9.00/adult, \$7.00/youth)
